Remarks

Discover this most inviting home directly adjacent to one of the most extensive parks in the Lehigh Valley. 426 Locust offers an amazing array of features. Consider: Newer roof, windows, AC and economical gas heat. With wood floors through most living areas, a fabulous 3 season room that can be easily converted to year round use, a terrific finished basement and an expansive 2 car detached garage, your next home is an easy choice. Dimmick park, with nearly 19 acres of ball fields, a bandshell, inviting community pool and more, offers endless recreational activity. Finally, never be without power with your whole house Generac generator! Call today to tour this terrific property.
